COMPANY.

& and 64 Wonderly Building.

We offer this week the following bargains in real estate:

Two handsome lots in south end, near Madi-son avenue, at ONE-HALF VALUE; owner must sell, as he requires the money for other purposes.

Eleven acres just north of the Gunn Folding Bed factory, on the G. R. & I. K. R., suitable for platting, for sale at a BARGAIN.

Fifty lots, handsomely located near electric cars, on Burton avenue, near Division; we offer these on favorable terms and furnish money to build if required at low rates.

Two very desirable residences on west side, on Dayton street, very reasonable; call and get definite description and price.

Fine house and large lot, No. 32 Bridge street, rents for \$55 per month; for sale or trade for smaller place,

We have some desirable frontage on West Bridge street, which we can offer cheap for cash.

Lots on North Lafayette and Prospect streets, near Fairbanks, less than value.

We have some desirable tracts of hard wood timber for saie or exchange.

If you wish to buy, sell or exchange, call on us. We can suit you.

BE JUST WITH THEN

Children Love to Own What is Given to Them.

HEEDLESSNESS OF PARENTS

Parents who treat their some and daughters in a way to merit their indignation and reproach, though the facts which call forth such feelings may be endured in silence, have only themselves to blame when they are brought to a realizing sense of their loss of the love and the confidence of their children. This is often looked upon as ingratitude in a child which is directly the result of the parents' method of dealing with him.

"Because," said another, "its the only day in the week we have to do it in There's the washing on Monday, rening on Tuesday, baking on Wednesday, calling or receiving on Thursday, and baking again on Saturday."

"Because," said another, "its the only day in the week to do it in There's the washing on Monday, ironing on Tuesday, baking on Wednesday, calling or receiving on Thursday, and baking again on Saturday."

"Because," said another, "its the only day in the week we have to do it in There's the washing on Monday, ironing on Tuesday, baking on Wednesday, calling or receiving on Thursday, and baking again on Saturday."

"Because," said another, "its the only day in the week we have to do it in the washing on Wednesday, ironing on Tuesday, baking on Wednesday, calling or receiving on Thursday, and baking again on Saturday."

I wish some philosophic sharp would tell me why the majority of women clean up house on Friday. I don't suppose the answer would be particularly thrilling, but the query invariably occurs to me every Friday morning when I am awakened by the cold draughts eweeping through the house and look out the window to me all the curtains in the neighburhood tied up or drawn far amores.

"Because its an unlucky day," replied a househeeper of my acquaintance.

"Because it's a hangman's day," said neether.

"Because," said another, "its the only

lar order. Anybody ought to see that."
But I don't see it, I don't see why a
house should be any cleaner on Sunday
than on any other day. I don't see why
it isn't just as well to hang out the family wash on Wednesday as upon Monday. Yet I have known women who
wouldn't have a flat unless they could
wash on Monday.

wash on Monday.

As five floors of two families each can't dry in the back yard and on the

roof on the same day and the Monday

prejudice is very strong, landlords have had to erect huge telegraph poles in the

MODISH COUFFERS.

rear of flat houses, from which poles

lines are operated on a level of each

This system also affords the addi-

tional pleasure of a near view of the number and character of your neigh-

bors family wash. There must be some substantial reason for a woman doing just as her neighbors do and what all

women in the civilized world do and

have been being for hundreds of years.

Source of "Ruby's Husband."

Mrs. E. P. Terhune (Marion Harland)

tells a curious bit of fact in connection with one of her earlier novels. "Ruby's Husband." The novelist was living in

Newark at the time of its writing; and on her frequent trips over the Jersey flats to New York, her attention was

often centered upon a long low ros fed white house visible in the far distance

from the care. She knew nothing of it nor its inmates, but its isolation, and on late winter afternoons its single eve of

light streaming early across the stretch of marsh land, attracted her story tell-

ing instinct, and she wovethe tale about it. Long afterward she found that it

was occupied by a sporting character very similar to the horse Nick Sloane,

and actually having his initials, and he had, too, a young daughter whose beauty

was as remarkable for its environment

as was that of the brilliant and unsern

pulous Ruby. In the story Nick Sionne is killed in a runaway accident, aml out

of it the tenant of the meadow house

came one of the most popular novels of

came to a violent death by the cars several years after "Ruby's Husband" be

NEW JAPANESE SILK GOWNS FOR DOT AND ETHEL.

Children learn quickly by experience and seidom allow themselves to get burged in the same fire twice.

How frequently, on a farm, a pretty calf or colt or lamb is given to a chike. He takes the promise in good faith, be-lieves the creature to be his very own, feeds it tends it, perhaps loves it-only to find, when it has developed into a handsom and desirable animal that it was neve intended to be really his at all. He was allowed to call it his and to bok upon it as his, but when there is some incre use or a good opportunity for sale ruthless hands bear away the treasuse, without even consulting the child's feelings by a single word and the father his bargain. He is sorry Tommy or Sus a creed about it, but feels that he has made it all right by promising another, but the child has learned a sharp lesson from experience he has learned not to trust his father and some of the arctures of affection are forever closed against him. His sense of justice has been outraged; he has become less frank and generous, more secret and selfish. His resocent nature has received a shock and he recovers from it only to be on re worldly wise, but less trustful. In after years a child who has been touted in this way will unconsciously t ngs that will wring his father's heart at the sad bearted man, if he looks ack for enough, will find the cause in

of a futle child. Settleh men reason that everything selves until he reaches the age of 21, and accordingly seize upon their children's earnings and ruthlessly appropriate them to their own uses. How often a boy plants a little patch of potatoss or

nen actions in his unreasoning

tymnsy over the conduct or possession

SHURNILY IMPORTED TOILER OF BLACK VELVET AND CHINA SILE IN SILVERS

something of the kind and works in it own engerly heping to sell his casp and provide himself with some books cloth ing or momething for which his boyish heart longs, only to find the results of his labor sent to town some fine surtemon day and burned in to pay his giver's bull the perhaps, he works for a neigh bor with his father's consent, and de-inghtedly plans to do wonderful things with the few dollars he same; but, size! too many here find how easy it is to up of old neighborty accounts, and hany a claughter's school money is very handy Verity, people who deal in this way

with their children have their several, though it is not always quite what they expect. Very little children know the meaning of justice, though they do not understand the definition; and parents who break their faith in this respect can never regain their forener position in the child's respect and affection. Place this over the top of a glass pitcher or even a tumbler, preming the finance down half way or more into the vessel. Then bind the flaunci that to the top of the glass with a string or piece or tape. Now put the ice into the flannel cup and lay another piece of flannel, five or six inches square, upon the ice. Arranged thus, ice will keep many hours.

Both black satin and muscovite repped silk are used for the long coats that are now so fashionable. They are very full in the back below the waist line and have enormous sleeves. The broad revers and collarette are edged with scru guipure insertion.

The new hate for children are large flats of fancy straw and chip. They will be trimmed with ribbone and flowers in simple, childish manner. Where an elaborate hat is required, white Legheras promise to be popular, trimmed with flowers or white tips. A two-buttoned lace glove with heav-

embroidered back in harmonious or atrasting color is as close to the one buttoned "marquise" of our grand-mother's day as the revival of bouffant sleeves and crinoline has yet made im-

The pretty French silks are now riv-aled by the English fabrics called Brad-ford silks, which are especially service-able and desirable for summer street Accordion plaited skirts of surah or

India, with plaited waists in sailor fashion, are rather new and effective. A Frenchy combination is watercrease green and turquoise blue.

The return of the shawl is prophesied. For all forms of disordered stomach

The way to see the fair is : first, to go. Go! Don't wait till youget time to see it all, for there is not enough time between now and eternity for you to see a tenth part of it. You wouldn't want to if you could. That's straight. Simply won't in-terest you. How many of you have ever gone to Phoenix, or Gunn, or Bissell factories to see the wonders of their labor and cost saving machinery You can see a great deal at the fair in a day for instance, see the out-of-door of it the magnificent buildings, flowers, statuary, fountains, lagoons, etc.; take an idle hour in a gondola, with a real live gon-dolier from Italy; or spin swiftly in an electric boat. This, the exterior, by far the most impressive fea-ture of the exhibition, may be well taken in in one day. are; a matter of taste or study. A day or two for a saunter by the stands, as

on Broadway; or a day examing in the machinery for making watches, or watching to see if the star fish in the acquarium ever moves or the sponge slips off the rock. Each must decide for himself. But go you must, and you should go at once. Start right. Buy a round-trip ticket via the West Michigan for there will be the coming back, and the good trains, swift and reliable schedule, and the many little things that gratify, ap ply on the return trip as they do going. Take our 1:25 p. m. train of a Tues-day, Thursday, or Satur-day, and get there in time for grand illumination in the evening. Or, commencing next Sunday, take our 7: 15 a. m. fiyer, which will run every day, "and Sun-day too," and get there at 12: 20 noon. 'Phone Haw-kins, at the Union Station to secure your seat or berth.
